## **Macomb County Health Department seeks information on illegal dumping in Chesterfield Township**

MOUNT CLEMENS, Mich. – The Environmental Health Division of the Macomb County Health Department is looking for tips from people who may have information on the illegal dumping of six, 55-gallon drums of suspected waste paints and solvents in Chesterfield Township.

Discovered by the Chesterfield Police Department along 25 Mile Road near I-94, the 300 gallons of hazardous waste is believed to have come from an automotive collision shop and was dumped during the evening of April 12.

The Health Department's Environmental Management and Risk Assessment Program is investigating the case. Anyone with information is encouraged to call 586-469-5236.
